

ASMS 2018
Users Meeting
June 3, 2018

Manchester Grand Hyatt San Diego | 2nd Floor, 1 Market Place, San Diego, CA

Food, Environmental & Cannabis Testing
Users Meeting Agenda Harbor D

- 7:30 AM** **Breakfast and Registration**
- 8:30 AM** **Introduction and Welcome**
Carl Schwarz, Market Development Manager, Food & Environmental, SCIEX
- 8:35 AM** **LC-QTOF MS for Trace Analysis of Pharmaceuticals in Wastewater Reuse, Soils and Plants: Identification of 46 Ibuprofen Metabolites in Roots, Shoots and Seeds of Cowpea**
Damià Barceló, Ph.D., Vice Director, Catalan Institute for Water Research and Institute of Environmental Assessment and Water Research, Spain
- 9:00 AM** **Current Applications for the Analysis of Per/Polyfluorinated Alkyl Substances in Environmental Samples**
Charles Neslund, Scientific Officer, Eurofins Lancaster Laboratories Environmental, LLC
- 9:25 AM** **Accurate Mass Spectra Worth Reading for Food and Environmental Analysis**
Atsushi Yamamoto, Ph.D., Associate Professor, Tottori University of Environmental Studies, Japan
- 9:50 AM** **Enhancing LC-MS/MS Analysis of Algal Biotoxins Using Differential Mobility Spectrometry**
Daniel Beach, Ph.D., Research Officer, National Research Council Canada
- 10:15 AM** **Break**
- 10:35 AM** **Environmental and Agricultural Applications of CESI-MS**
Spencer Walse, Ph.D., Research Chemist, USDA-ARS
- 11:00 AM** **Challenges Associated with the Analysis of Mycotoxins in Botanical Supplements**
Ujwal Patil, Ph.D., Method Development Scientist, Eurofins Central Analytical Laboratories
- 11:25 AM** **The Current State of Cannabis Analysis: What is Required, What Will Be Required, and Can This Be Done Without GCMS?**
Robert Di Lorenzo, Ph.D., Applications Scientist, SCIEX
- 12:00 PM** **Adjourn**

► **Click here to register. Seating is limited.**

Agenda is subject to change without notice.
