SCIEX Now support network
The destination for all your support needs

The result: be self-sufficient, be more productive and deliver results

Onboarding
Your journey with us starts with comprehensive onboarding. We register you to SCIEX Now, enroll you in your Learning Hub learning path and send you a welcome email.

Data integrity
Increase your confidence with compliance services to help you safeguard your data, confirm data integrity and ensure system modifications can be traced.

Learning Hub
Take your lab to the next level with best-in-class content delivered through diverse and flexible learning options that can help you maximize your system. Benefit from personalized learning paths based on the latest memory science to help ensure better knowledge retention.

Lab enhancement services
Apply a holistic approach to your lab to increase productivity and reduce system downtime. Our goal is to help you meet tight deadlines, improve the quality of results and ultimately increase your profitability.

Workflow support
Our mission is to help you be successful. Whatever your challenge, the SCIEX support team is here to help you achieve your scientific goals quickly and efficiently.

Self-help resources
Our knowledge base and community help you move your science forward and get the answers you need from SCIEX experts as well as your peers. All self-help resources are mobile-friendly, allowing you to get support at any time, from anywhere.
