### Terms and conditions

The eligibility status is dependent on the model and condition of the trade-in unit and will be quoted by a local representative. The product must be returned in accordance with return instructions provided by SCIEX after your installation is complete. If the customer fails to de-commission the trade-in unit, fails to make it available for return during the stated time frame or otherwise fails to meet all of the terms and conditions of this promotion, the trade-in credit will be rendered null and void and the amount of the trade-in credit shall be due and payable by the customer within thirty (30) days of the receipt of the invoice for such amount. This promotion cannot be combined with other promotions or discounts and is not retroactive. No substitutions or swap-outs are allowed. The discount is not convertible to cash. The purchase is subject to SCIEX standard terms and conditions of sale. This promotion is only available in India when buying directly from SCIEX. Other restrictions may apply. The purchase order must be received by December 1, 2024. Void where prohibited. SCIEX reserves the right to determine eligibility.
